If you would like to model for us, or anything else, feel free to email:

admin@chainsawbabes.com

We shoot pics and vids up to full nude.

If you wish to shoot for us, please make sure:

Your aged 18 or older.

You have ID to prove your age.

Your happy to sign a model release form.

Your happy to pose for both pics and vids.

Your in the UK.

You are free to have a friend at all the shoots as this does not bother us, and we often recommend to models to have a friend at any shoots they do with anyone. If a photographer does not want to have a friend, then we suggest you think twice about doing the shoot.
